Material Transfer Welcomes Deron Seibert as a Senior Sales Representative

New hire reflects Company's continued growth momentum

ALLEGAN, MI (July 28, 2022) – [Material Transfer & Storage](#) (MTS), an industry leader in the custom design and manufacture of bulk bag filling, conditioning and discharging systems, announced today the addition of Deron Seibert as a Senior Sales Representative. In this role, Seibert will be responsible for developing new customer relationships, expanding Material Transfers' presence in new geographies and enhancing the company's ability to solve bulk material handling challenges.

"We're excited to have Deron on board at MTS," said Sergio Carrillo, Director of Sales. "His depth of experience and industry knowledge will better enable us to meet the growing needs of our customers as we continue to provide the highest quality systems to the marketplace."

Seibert brings over 25 years of experience in Sales Management for bulk material handling and material processing equipment. Prior to joining MTS, Seibert served in multiple sales capacities helping build and lead regional accounts across the U.S. Most recently, he served as a Regional Sales Manager, responsible for fostering new business opportunities, while nurturing national account relationships.

"I was immediately drawn to Material Transfer when I learned about the company's commitment to quality," said Seibert. "The entire MTS team is dedicated to designing, building and delivering the highest quality equipment and systems in the industry. I look forward to working with the team as we grow our customer base and leverage our competencies to help transform customers' operations."

About Material Transfer
