**Material Transfer Welcomes Amiee Bowden as Service Department Administrator**

*New hire strengthens MTS' customer service and support expertise*

**ALLEGAN, MI (January 26, 2023)** – [Material Transfer & Storage](#) (MTS), an industry leader in the custom design and manufacture of bulk bag filling, conditioning and discharging systems, announced today the addition of Amiee Bowden as Service Department Administrator. In this new role, Bowden will support the enhancements of MTS' customer service and support offerings.

Bowden joins MTS with over 12 years of experience in the customer service and administration fields, complemented with an extensive background in welding and manufactured steel product installation. In her previous role at a global metalworking manufacturer, Bowden demonstrated outstanding customer service as Service Administrator and Service Scheduling Coordinator.

"Amiee is a perfect fit for the customer centric culture at Material Transfer," said Tim Kamrowski, Customer Service Manager. "As we continue our efforts to elevate MTS' exemplary customer service level to an even higher level, we are excited to see the positive impact she will have in driving success for our customers and channel partners."
